A,B,E BODY MOPAR FRONT DISC BRAKE CONVERSION KITS

Add the safety, reliability and performance of disc brakes to your vehicle with our drum to disc brake conversion.

In this kit you receive everything you need to mount factory style 4 piston disc brakes to the original drum brake spindles currently on your vehicle. This kit is a direct bolt on with NO cutting or welding required. All components used in these kits are new high quality, precision machined products. A great kit with a factory look and easy installation!

The Master Cylinder in this kit is designed to be used with your Factory Power Booster.

Cross-drilled & Slotted Rotors, and Black or Red Powdercoated Calipers are available as upgrades.
